- 4. **Permalink:** Select the permalink, copy it, and paste it into a news item, content, or discussion board in Brightspace. You may also include the permalink in emails. Students will click the link, and enter their S#, and be taken directly to the content
- 5. **Embed Code:** Select the embed code, copy it, and select Insert Stuff in your Brightspace news, content, or discussion board items. Then, select Enter Embed Code. Paste the embed code, and select "Always allow content." This will embed the ebook viewer directly into Brightspace, and allow students to read the content directly in their course.
